Omschrijving

Charming Finca-Style Villa with Stunning Views in Idyllic Jalon Valley Setting This beautiful finca-style property exudes charm and character, perfectly positioned in a peaceful, private location just a short walk from the picturesque villages of Jalon and Liber. Boasting breath-taking southwest-facing views, this home offers an ideal blend of traditional craftsmanship and modern comfort. The accommodation is arranged across a single level and is accessed through a spacious covered Riu Rau and traditional naya, showcasing classic stonework typical of the region—an ideal space to relax and soak in the spectacular valley views. Inside, the welcoming lounge and dining area features exposed wooden beams and a cosy wood-burning fireplace, creating a warm and inviting ambiance. Adjacent to the dining space is a fully fitted kitchen that enjoys views over the pool and garden, seamlessly combining practicality with charm. The hallway leads to four double bedrooms, including a spacious master suite complete with en-suite bathroom, dressing room, private gym space, and direct access to the terrace. Three additional double bedrooms with fitted wardrobes provide flexibility; one is currently used as an office/study. A well-appointed guest bathroom with a bathtub serves these rooms. Additionally, a quaint internal courtyard brings natural light into the hallway and two of the bedrooms. Authentic terracotta tiles run throughout the home, and each room features beautifully treated natural stone walls, adding warmth and rustic elegance. Set on a fully enclosed and meticulously maintained plot, the property offers complete privacy and a variety of outdoor features, including: □ A private oval swimming pool □ A shed housing 12 solar panel batteries □ A charming wooden shed □ Mature Mediterranean gardens with an olive grove and a variety of fruit and palm trees □ A long driveway with ample off-street parking, including space ideal for a campervan. This exceptional finca offers a rare opportunity to enjoy the tranquillity of rural Spanish life with all modern comforts close at hand. The owners have also purchased the adjoining plot, which has been cleared, with restored stone walls and newly planted greenery for added privacy. The property benefits from mains water, solar panels with battery storage, oil central heating (with two tanks), and beautiful stone arches throughout. Early viewing is highly recommended to fully appreciate the unique charm, peaceful setting, and panoramic views this stunning home has to offer.
