Omschrijving

We present to you this magnificent project of a villa in Ibiza style in Jávea, featuring typical rounded corners and a white façade, with parts of the façade enhanced with stone. Inside the villa, we discover a spacious and bright living-dining room with large windows that allow plenty of natural light, an open kitchen equipped with a breakfast bar, a laundry room, and a guest toilet. The resting area consists of four good-sized double bedrooms, each with its own en-suite bathroom. The entire villa will be equipped with double-glazed windows, underfloor heating, and ducted air conditioning. It will have two parking spaces under a pergola. Outside the property, we will have a large infinity pool, surrounded by terraces, including one covered with a beautiful pergola, perfect for dinners with friends or family.
